# **Class 4 Computer**

## **Chapter 1 Applications of Computers**

### **4. Answer the following questions**

- a. Give three uses of computers at home.**
- b. What is the use of computers in banks?**
- c. Give the full form of ATM. What is its use?**
- d. How can computers be used in shops?**
- e. Write any two uses of computer controlled cameras.**

### **5. Choose the correct option.**

#### **a. Which of the followings are uses of computers at home?**

- i. Playing games**
- ii. Writing letters**
- iii. Listening to music**
- iv. None of these**

#### **b. A technique of giving an object or a character the appearance of movement.**

- i. Move**
- ii. Moving**
- iii. Animation**
- iv. None of these**

#### **c. Full form of ATM is**

- i. Automated Teller machine**
- ii. Automatic teller machine**
- iii. Automatic telling Machine**
- iv. None of these.**

#### **d. Which of the following statement is false?**

- i. Computers help architects to design houses.**
- ii. Hotels use computers to prepare bills.**
- iii. Robots are machines controlled by computers.**
- iv. Computers cannot be used in banks.**

#### **e. Machines controlled by computers.**

- i. Robots**
- ii. Rose**
- iii. Both i. and ii.**
- iv. None of these**
